We celebrate the Otto Family, the Yarroll Family, the Davis Family, the Grove Family and the Scherer Family who had every member of their family help with construction. We give thanks for all the adults who do not have youth who came and helped. **And MOSTLY we celebrate Kelly Schmidt, Jon Scherer and Bret Plank who have tirelessly worked to make the project excellent and have given up their**

I am constantly reminded of the amazing work God can do when people are open and willing. The amazing transformation that has taken place in the "Youth Lounge" is a great example of God's people being willing and open. I cannot express how wonderful it is to see people coming together to create a space for Young People to be in God's presence. As we begin worshipping in our new space, let us remember that the Youth Lounge is just a starting place to do ministry in the world. The real effects from the new changes will be seen as our youth go out into the world as disciples for Christ.

Grace & peace,
Hank
